streets as a safety precaution. E. J. Duke and E. Parley Cliff were appointed to meet with club members to discuss the matter. It was some two years and several accidents later, however, before the poles were finally moved.

One of Heber City's leading physicians, Dr. H. Ray Hatch, became the community's mayor in the election of 1915. Chosen to serve with Dr. Hatch on the city council were G. Frank Ryan, four-year councilman; E. J. Duke, Isaac Jacobs, George M. Jorgensen and Parley A. Murdock. Later, Mr. Jorgensen moved from the city and John A. Anderson was appointed in May of 1916 to fill the vacancy. J. E. McMullin was elected recorder and Alfred Sharp was treasurer.

John A. Fortie became mayor in 1918 after winning the election the previous Fall. George Smith, Joseph A. Murdock, J. Fred Giles and Abe Turner comprised the city council, while Sylvan Rasband was treasurer and J. E. McMullin the recorder.

Taking office as mayor in 1920 was E. J. Duke. John H. Miller was four-year councilman with Moroni Moulton, George Smith, J. W. Mahoney and Andrew Murdock two-year councilmen. Douglas Giles was recorder and Emer Murdock, treasurer.

E. J. Duke again served as mayor during 1922 and 1923 with J. W. Giles, Heber G. Crook, L. D. Greenwood and J. Claud Hicken as members of the council. J. E. McMullin was recorder and Elmer Strong, treasurer.

In the election of 1923 J. E. McMullin won the mayoralty race, fulfilling a long time dream. While still a young man he had developed a desire to some day lead the affairs of the city.

"When in my early teens," he wrote, "and attending Central School, I had a deep desire to become Mayor of Heber City someday. I was so impressed with the idea I even chose my councilmen."

When he actually became mayor in 1924, two of his councilmen were among those he had previously considered. They were Jesse R. Nelson and J. W. Giles. Other councilmen were John H. Miller, Albert Dickson and T. Henry Moulton. J. Sylvan Rasband was recorder and Elmer Strong, treasurer.

During his first term, Mayor McMullin spearheaded the drive to organize the Heber Volunteer Fire Department. The area's first motorized fire engine was purchased in 1924 and "initiated" at a fire on Sept. 17, 1925, when hay, grain and straw belonging to Thomas, Erwin and Don Rasband began to burn in a field on the Charleston Road. The fire started from a spark from a threshing machine.

On Sept. 21, 1925 the city council passed an ordinance creating the official fire department and providing for fire inspection. The council also hired John Barnes at \$15 a quarter to sound the fire siren each morning at 7 a.m. as a time regulator.

The first members of the fire department included Frank W. Hardy,
